

### World News Digest

#### HOW DO I ACCESS THE SITE?

There are two ways to access our site:

##### From a Library Computer:

Visit your library's Web site or check the library computers' desktops for a link to our database. Alternatively, ask your reference librarian where to locate our online resources.

##### From Home:

To access us from outside the library, check your library's Web site for the link to our site or contact your reference librarian. If further authorization is required, you will be prompted for the following:

#### WHAT INFORMATION WILL I FIND?

*World News Digest* brings together and enhances nearly seven decades of news from the renowned *Facts On File World News Digest* in print. This archival record of domestic and international news covers all major political, social, and economic events since November 1940 and is updated weekly. Additional features include:

- **Facts researchers can trust.** *World News Digest* has served schools, libraries, government agencies, businesses, and newsrooms since 1940
- **Editorially created hyperlinks** from articles to related material, directing researchers to just what they seek
- **Primary source documents and special research features** on high-interest topics, taking researchers back into history and giving context to the news of the hour
- **Timelines**, offering news written as it happened and giving students perspective on the times they are studying. Great for decade projects
- **The Resource Center**, teaching research and presentation skills, with special sections supporting government, civics, economics, U.S. history, and world history curricula
- **“Need a Research Topic?”** offering short summaries of suggested research topics, with a fully linked list of articles for each.
